

Resolution  
of  
the 10<sup>th</sup> International Symposium and the General Meeting, 2017  
of  
International Association of Transport Universities of Asian-Pacific Countries  
(Approved by the 10<sup>th</sup> General Meeting of IATU APC, 2017)

Seoul  
November 2, 2017

Being aware of common problems and the urgent demand for the joint efforts of the transportation universities, research institutes and other organizations concerned, the 10<sup>th</sup> General Meeting of International Association of Transport Universities of Asian and Pacific Countries adopts the follows.

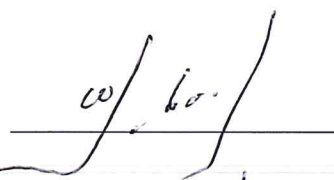

RESOLUTION;

1. To promote the work of the committees and to develop and maintain education and research cooperation among all the participants of the Association and railway enterprises.
2. To amend an additional condition in the Association' s Charter if need;
3. To elect the new leading organizations;  
It was not discussed to elect new President of IATU APC. New President will be discussed and elected in the next General meeting.
4. To continue to carry out the development of the database of network universities and promote members to share use.
5. To accept the following universities as new members of the International Association of Transport Universities of Asian and Pacific Countries;
  - 1) Ho Chi Min University of Transport(Vietnam)
  - 2) University of Transport and Communications(Hanoi Vietnam)
  - 3) Trisakti School of Transportation Management(Indonesia)
6. An Institution to hold the 11<sup>th</sup> International Symposium of Transport Universities and General Meeting of the International Association of Transport Universities of Asian and Pacific Countries was not decided in the 10<sup>th</sup> General Meeting of IATU APC. It will be decided in the Supreme Board of the Association under the Charter of IATU APC.

We all agree on the Resolution
